Subject: PV Shelf: Questions from Senator Feinstein's office
Attachments: Draft Response to Feinstein 102820.docx

Wanted to make sure you all saw the questions we received on Monday. We will be discussing whether we reply in writing or have a conf. call. In any case, we've started to form a reply, at least to the first question. We need to further discuss our response to the second question about the barrel dump site.
